**Of the sports Northwest College offers, the U.S. Department of Education requires graduation and transfer rates for basketball to be shown separately from other sports.*

Summary: For both the Fall 2015 cohort and the 4-year average, first-time, full-time, degree-seeking students who received athletic aid graduated and transferred at a higher rate than the typical first-time, full-time, degree-seeking student.

Notes: Graduation and transfer-out rates are for first-time, full-time, degree-seeking students who completed a degree/certificate or transferred without earning a degree within 150% of the normal time for degree completion (i.e., 3 years for students pursuing an associate's degree). The combined graduation/transfer rate is the percentage who either graduated or transferred within 150% of normal time.
