**INTERNATIONAL
STUDENT & SCHOLAR
SERVICES**

The total estimated cost of attendance for the **2024-2025** academic year is \$19,805. This includes tuition and fees for 15 credits per semester, housing on-campus in a single occupancy room, and on-campus meal plan. *Students should also budget for travel, books, health insurance (mandatory), personal expenses, etc.*

This cost is an estimate for immigration purposes only and is not a tuition bill. Costs will vary per student and may change at any time.

The United States Citizenship and Immigration Services (USCIS) agency requires Northwest College to verify that international students receiving a Form I-20 have sufficient financial support to meet the estimated cost of attendance for one year of study. The cost of attendance for the current academic year is stated above and more details can be found on the Northwest College website.
