Dear Students,

Just in case you were wondering what you may need to be doing before school starts, we thought it might be helpful if we send you this last minute checklist, be sure to do these things if you haven’t yet and then you will be ready to start on August 24th!

- Login to your account in MyNWC. You will either need to activate it or reset it. Either way, you will need your student id number to accomplish this. Give us a call if you don’t remember what your id number is at 307-754-6101. To activate (if you have never signed on before) go to: www.nwc.edu/activate and to reset (only if you have activated already and can’t remember the password you set up) go to: www.nwc.edu/reset
- Once you have logged into your account, check your email! There may be important messages waiting for you there. Keep up on this even when school starts, instructors often will email you through your campus email. You can also find your schedule, financial aid, academic plans and eventually your grades, advisor and more through this site. Use your schedule to find your textbooks (see bookstore section below).
- Sign up for Kick Off Weekend! http://www.nwc.edu/admissions/events/kickoff Why is this important? You will meet people, get tours, learn about campus services, go WHITE WATER RAFTING and have a lot of fun!
- If you plan to stay on campus, contact housing if you haven’t already signed up, 307-754-6165.
- Textbooks: to see what textbook your class is using, to see if it is available to rent or if you can buy it used, go to the bookstore website: http://www.bkstr.com/northwestcollstore/ click on BOOKS, select your term, then search by Course ID or Department, then select your course and your section; all of this information is on your schedule (see above). Then SUBMIT and you will see the textbooks, click on the plus sign to the right to find out the ISBN number and prices of the books. You can order these now. Compare prices, some of the prices here may be cheaper than Amazon or Half-Price.com.
- Financial Aid: Make sure all of your paperwork has been submitted, you will not receive an award if it is not. If you have a financial aid award, you must accept it in the letter that was sent to you, sign it and return it in order to be given this award. Any questions, call the Financial Aid office, 307-754-6158.
If you are looking for a student job during school, go to: http://www.nwc.edu/financialaid/types/jobs.html and see what is available. The application and job forms are available from this page also.
