BRIAN ERICKSON
Coach Erickson begins his fourth season as head Coach and seventh season as a member of the Trapper staff. In his third season as Head Coach he led the Trappers to their first Region IX Championship in 46 years. This feat was accomplished in front of the home fans as they hosted the Region IX Tournament for the first time in Northwest College history. They went on to the National Tournament, made it to the Elite 8 and finished with a 31-5 record, which is the second best in Northwest College history. In his three years at the helm he has a 71-30 record. Each team has had players that have moved on to play at D1, D2, and NAIA levels. He also got the opportunity to coach and work with the NJCAA National Player of the Year, Chris Boucher, who was a part of this year’s team.

Coach Erickson started his collegiate playing career at Eastern Wyoming. While at Eastern he helped lead the Lancers to back-to-back Region IX championships, where they placed 8th at the NJCAA National Basketball Tournament. He was recruited to Eastern to play shooting guard but during his Sophomore season was moved to the point guard position. His next two seasons were spent at Montana State University-Northern. Coach Erickson is looking forward to the 2015 Summer Basketball Camp here at Northwest College. Hope you are too!
