Athletic Trainers, Coaches and Athletes,

We would like to welcome you to Northwest College. Our athletic training room is located in the Cabre Gymnasium on campus. **Note: Our rodeo events do not take place on campus grounds. The following venues are used for the listed sports.**

Sport - Venue
Soccer - Trapper Field
Basketball, Volleyball, & Wrestling - Cabre Gymnasium
Rodeo - Cody Stampede Rodeo Arena

Our sports medicine staff requests notification for any pre-event services for visiting athletes. We ask that the team brings their own taping supplies. **If an Athletic Trainer is not traveling with your team, written instructions must be sent with the athlete for treatments to be performed.** Any care of special needs are to be set up through Leslie Kenney.

A certified staff member will be attending all home events. Water, cups, injury ice, ice bags, and injury management equipment, as dictated by the NCAA Sports Medicine Handbook, will be available on site.
