Star Spangled Banner

WORDS: Francis Scott Key | MUSIC: John Stafford Smith

Oh, say can you see by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
O say, does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

Commencement Exercises

May 15, 2020 7:00 p.m.

“The Star Spangled Banner” *Ms. Emilie C. Asay, vocalist*
by Francis Scott Key
arranged by John Stafford Smith

Welcome *Mr. Dustin Spomer*
President, Northwest College Board of Trustees

Remarks by *Dr. Stefani Hicswa*
President, Northwest College

Presentation by *Ms. Sandy Feyhl*
2020 Distinguished Faculty Service Award Recipient

Sandy Feyhl has just been awarded tenure at Northwest College and is currently the coordinator of the Education Department.

She completed her B.S. in elementary education from Rocky Mountain College in Billings, Montana. After her initial years in the local schools and coordinating the English as a Second Language program in Powell, Feyhl accepted a position as lead teacher in Head Start. She found her passion working with young children, and her focus truly turned to early childhood education. After many years of teaching and developing her leadership skills, she shifted her goals to administration. She became a director in the Head Start, Inc. program located in Billings where she developed and supervised many teaching centers in Montana communities.

Feyhl moved to Macon, Georgia, to complete her M.Ed. in early childhood education at Wesleyan College. Her depth of knowledge and experience enabled her to take full advantage of a new learning environment. Her teaching philosophy became anchored by the many different challenges of teaching in diverse classrooms, and her understanding of working with families in poverty. Her approach to her college students is giving them real experiences in all the many kinds of educational settings there are at the local level. Students are taught how to observe and evaluate teacher-student interactions, how to implement and bring a lesson “off the page,” as well as how critical their role as an educator will be to the success of students and their contribution to a democratic society. Feyhl’s teaching reflects that of education philosopher John Dewey... “Education is not preparation for life: Education is life itself.”

Distinguished Alumnus Award. *Mr. Clay Cummins*

After graduating from Northwest College in 1961, Clay Cummins headed to the University of Denver where he earned a degree in business administration. A draft notice summoned him to the U.S. Army, launching a military career that would span 25 years. A retired Army Lieutenant Colonel, Cummins served in administrative roles behind combat lines during both the Vietnam and Korean wars. He completed his final overseas duty in Germany before being reassigned to

Washington, D.C. in 1983 to serve his last five years in the Pentagon. After retiring from military service and moving back to Montana, Cummins has dedicated himself to giving back to Northwest College. He has dedicated countless hours serving on the NWC Alumni Association Board of Directors since 1999 and the NWC Foundation Board since 2004.

Class of 2020 Student Speaker Ms. Bossan Abdyeva

Bossan Abdyeva was born in Sakar-chage, Mary, Turkmenistan. She has three siblings, Dovran, Mahri and Sapargeldi, who is coming to Northwest College this fall. Abdyeva attended secondary school #10 in Turkmenistan, where she graduated in 2016. While at high school, she actively participated in academic Olympiads, and in track and field, where she earned first place in 2015. Abdyeva was involved in volunteering at Mary American Corner, where she learned about American culture and grew her desire of studying in the U.S. She has been a member of NWC's Phi Theta Kappa chapter and served as Chapter President for 2019-2020 academic year. Moreover, during her two years at Northwest College, she served on Student Senate as International Representative and President. She was a Resident Assistant for three semesters and was involved in College Council, Student Appeals Board and the Board of Trustees, where she worked with college officials to bring students' voice to the table. Abdyeva is the recipient of the All-Wyoming Academic Team Award of 2020 year. She is graduating with two Associate of Arts degrees in International Studies and Spanish. She describes Northwest College as the place where she found herself as a leader, with the help of supportive professors."

The Academic Regalia Code

The tradition of wearing academic dress (caps, hoods, and gowns) dates back to the 1300s, when the universities of Europe designated specific costumes for their students and faculty. These costumes varied according to university, and European institutions still show a wide diversity of academic dress. American academic apparel, however, was standardized in 1895. While this standardization has been reviewed periodically, the basic code of academic costume remains.

The code specifies that gowns used in colleges and universities follow three basic designs — the bachelor's with pointed sleeves and a closed front; the master's with oblong sleeves open at the wrist and a closed or open front; the doctor's with bellshaped sleeves and a closed or open front. All gowns for bachelor's degrees or above are black, although the bands of velvet which adorn the doctor's robe may be the color distinctive of the subject to which the degree pertains. The colors in the hoods are the official colors of the institution from which the degree was conferred.

The color of the velvet edging of the hood (and, optionally, of the tassel on the cap and of the velvet trim on the doctor's gown) is associated with the subject area in which the degree was taken. Examples of these colors follow:

<i>Agriculture</i>	<i>Maize</i>
<i>Arts, Letters, Humanities, Literature</i>	<i>White</i>
<i>Commerce, Accountancy, Business</i>	<i>Drab</i>
<i>Communication, Journalism</i>	<i>Crimson</i>
<i>Economics</i>	<i>Copper</i>
<i>Education, Counseling, Guidance</i>	<i>Light Blue</i>
<i>Engineering</i>	<i>Orange</i>
<i>Fine Arts, including architecture</i>	<i>Brown</i>
<i>Forestry</i>	<i>Russet</i>
<i>Law</i>	<i>Purple</i>
<i>Liberal Arts</i>	<i>White</i>
<i>Library Science</i>	<i>Lemon</i>
<i>Medicine</i>	<i>Green</i>
<i>Music</i>	<i>Pink</i>
<i>Nursing</i>	<i>Apricot</i>
<i>Pharmacy</i>	<i>Olive Green</i>
<i>Philosophy</i>	<i>Royal Blue</i>
<i>Physical Education</i>	<i>Sage Green</i>
<i>Political Science, History</i>	<i>White</i>
<i>Public Administration, including Foreign Service</i>	<i>Peacock Blue</i>
<i>Public Health</i>	<i>Salmon Pink</i>
<i>Science</i>	<i>Golden Yellow</i>
<i>Social Work</i>	<i>Citron</i>
<i>Theology</i>	<i>Scarlet</i>

It is possible, then, to determine from the academic dress the college attended, the degree awarded, and the area in which the degree was earned.
