Star Spangled Banner

WORDS: Francis Scott Key | MUSIC: John Stafford Smith

*Oh, say can you see by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there
O say, does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?*

The Academic Regalia Code

The tradition of wearing academic dress (caps, hoods, and gowns) dates back to the 1300s, when the universities of Europe designated specific costumes for their students and faculty. These costumes varied according to university, and European institutions still show a wide diversity of academic dress. American academic apparel, however, was standardized in 1895. While this standardization has been reviewed periodically, the basic code of academic costume remains.

The code specifies that gowns used in colleges and universities follow three basic designs — the bachelor's with pointed sleeves and a closed front; the master's with oblong sleeves open at the wrist and a closed or open front; the doctor's with bellshaped sleeves and a closed or open front. All gowns for bachelor's degrees or above are black, although the bands of velvet which adorn the doctor's robe may be the color distinctive of the subject to which the degree pertains. The colors in the hoods are the official colors of the institution from which the degree was conferred.

The color of the velvet edging of the hood (and, optionally, of the tassel on the cap and of the velvet trim on the doctor's gown) is associated with the subject area in which the degree was taken. Examples of these colors follow:

<i>Agriculture</i>	<i>Maize</i>
<i>Arts, Letters, Humanities, Literature</i>	<i>White</i>
<i>Commerce, Accountancy, Business</i>	<i>Drab</i>
<i>Communication, Journalism</i>	<i>Crimson</i>
<i>Economics</i>	<i>Copper</i>
<i>Education, Counseling, Guidance</i>	<i>Light Blue</i>
<i>Engineering</i>	<i>Orange</i>
<i>Fine Arts, including architecture</i>	<i>Brown</i>
<i>Forestry</i>	<i>Russet</i>
<i>Law</i>	<i>Purple</i>
<i>Liberal Arts</i>	<i>White</i>
<i>Library Science</i>	<i>Lemon</i>
<i>Medicine</i>	<i>Green</i>
<i>Music</i>	<i>Pink</i>
<i>Nursing</i>	<i>Apricot</i>
<i>Pharmacy</i>	<i>Olive Green</i>
<i>Philosophy</i>	<i>Royal Blue</i>
<i>Physical Education</i>	<i>Sage Green</i>
<i>Political Science, History</i>	<i>White</i>
<i>Public Administration, including Foreign Service</i>	<i>Peacock Blue</i>
<i>Public Health</i>	<i>Salmon Pink</i>
<i>Science</i>	<i>Golden Yellow</i>
<i>Social Work</i>	<i>Citron</i>
<i>Theology</i>	<i>Scarlet</i>

It is possible, then, to determine from the academic dress the college attended, the degree awarded, and the area in which the degree was earned.
