Students and families sometimes make errors on their applications so there is a process for verifying information and making corrections. It's called "verification" and your 2018–2019 Free Application for Federal Student Aid (FAFSA) was selected for review. The Financial Aid Office will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be revised. To complete the verification review, you must complete and sign this worksheet, attach any required documents, and submit the form and other required documents to the financial aid office. The Financial Aid Office may ask for additional information or clarification as your information is verified. If you have questions about verification, contact the Financial Aid Office.

- The student has used the IRS DRT in *FAFSA on the Web* to transfer 2016 IRS income tax return information into the student's FAFSA.
- The student has not yet used the IRS DRT in *FAFSA on the Web*, but will use the tool to transfer 2016 IRS income tax return information into the student's FAFSA once the 2016 IRS income tax return has been filed.
- The student is unable or chooses not to use the IRS DRT in *FAFSA on the Web*, and instead will provide the school a **2016 IRS Tax Return Transcript(s)**. (signature not required)

NOTE: If married and the student and spouse filed separate 2016 IRS income tax returns, the IRS DRT cannot be used and the **2016 IRS Tax Return Transcript(s)** must be provided for each.
