

Hathaway Scholarship Extension Request

Students may elect to use remaining semesters of Hathaway at a Wyoming community based on Enrolled Act 63 passed by the Wyoming Legislature in 2011. According to statute students receiving Opportunity, Performance or Honors Scholarships may extend Hathaway beyond the equivalent of four full time semesters for continued attendance at a Wyoming community college. A scholarship extended under this subsection shall not exceed the maximum equivalent of eight full time semesters when combined with the four full time semesters of initial community college usage.

To be eligible for this extension students must have:

- Earned a certificate or degree from a Wyoming community college
OR
- Successfully completed sufficient courses for eligibility to enroll in a program offered by a Wyoming community college which leads to a professional degree.

I understand that all eligibility requirements must be met to maintain eligibility for the Hathaway Scholarship. This is a request for an extension of my Hathaway Scholarship at Northwest College. By electing to use additional semesters at a community college I am reducing future semesters of eligibility at the University of Wyoming. Hathaway Scholarships can be received for a maximum of the equivalent of eight full time semesters combined at the Wyoming colleges.
